Rotary aid

The Antioch Rotary Club is again accepting vocational scholarship applications from Antioch High School seniors.

Laddie Korecek, vocational chairman, stated that the scholarship program is sponsored by Rotary District 644 to which Antioch is part. A total of 10-\$1,000 scholarships will be awarded. Each year the Antioch Club submits applications from high school seniors as candidates for the district scholarships.

When a scholarship is awarded the student must then enroll as a full time student in a vocational degree or certificate program at any accredited school.

Any Antioch High School senior interested in applying as a candidate for a vocational scholarship should contact Jane Ambrehmsens office or counselors office or Laddie Korecek at (312) 244-4030.

All applications must be completed by Friday, Feb. 3, 1984.

Jump ball time

Antioch Upper Grade School will host its annual eighth grade basketball tournament on Wednesday, Jan. 25, Thursday, Jan. 26, Friday, Jan. 27 and Saturday, Jan. 28.

First round action will begin on Wednesday, Jan. 25, at 4 p.m., at the Antioch Upper Grade School with Westfield vs. Lake Villa at 4 p.m. and Oak Crest vs. Salem at 5:15 p.m.

The tournament will resume Wednesday, Jan. 25, at 7 p.m., with Antioch vs. Round Lake at 7 p.m. and Emmons vs. Lake Zurich at 8:15 p.m.

The losers of the first round will advance to the consolation bracket and play Thursday, Jan. 26, at 4 or 5:15 p.m. The winning teams will advance to the championship bracket and play Friday, Jan. 27, at 4 or 5:15 p.m.

Playoffs for the consolation championship will be Saturday, Jan. 28, at 7 p.m., followed by the championship game for first and second place at 8:15 p.m. Admission is 75 cents for students and \$1.50 for adults.

Schedule talk on industry

Mayor Ray Toft has called a meeting of the Antioch Industrial Group, including owners of vacant industrial property and village board members.

At 7:30 p.m., on Monday, Jan. 23, the group will hear a talk from Ed Crane, mayor of Geneva, on ways to develop and bring more industry into the area.

Crane was involved in this type of operation in Geneva and also helped establish factories in Wisconsin and did a downtown revitalization study for Grayslake.

Crane will also tell the group how he himself can aid the village in this respect.

The meeting is also opened to the public.

Former ACHS student Hanging called suicide

The body of a former Antioch Community High School student, Andrew Denny, 21, was found hanging in a tree near the home of his mother, Sue Melzer, at 12:26 p.m., on Sunday, Jan. 15.

Lake County Sheriff's Deputy William Alter was on patrol on Dillys Rd. in Wadsworth, when he noticed something in a tree being blown by the wind.

The deputy thought at first it was a dummy

but on further investigation found it to be Denny's body.

Lake County Sheriff's Investigator Ross Schwartz talked to Denny's mother and his girlfriend, Michelle Scribner, 18, who said that Denny had been very depressed lately.

Denny's death has officially been determined to be a suicide by the Lake County Sheriff's Dept..

County Board race Fields, Popp win 3 endorsements

by ROGER RUTHHART
Managing Editor

Antioch Township Supervisor Jim Fields received a boost in his bid for reelection to the Lake County Board with the endorsement of the Republican organizations of Antioch, Lake Villa and Grant townships.

Fields and Lake Villa Township Supervisor Fred Popp received the near unanimous support of the township organizations which make up three-fourths of the fourth district. Only Avon Township did not endorse Fields and Popp.

The support in that GOP organization is so fragmented between the two candidates and former County Board Member Joe Tobolik of Ingleside that none of the three could garner the two-thirds majority needed for endorsement.

According to several sources, a fourth candidate, former County Board Member Janet Kapischke of Lindenhurst, has been unable to gather much support in her bid.

The four candidates are seeking two seats in the March 20 Republican Primary. Don Mason of Lake Villa is the lone Democrat who will try to unseat a Republican in the November, 1984 general election. Incumbent Republican Howard (Bud) Scott of Lake Villa Township is not seeking re-election. Fields is the other incumbent.

Antioch Township GOP Chairman Charles Kempf said that his organization's endorsement decision was unanimous in favor of Popp and Fields. He and Lake Villa Township Chairman Glenn Moore both said that

Antioch Police arrest dual car thief again

by GLORIA DAVIS

According to Antioch Police Lt. Tom Fisher, the Antioch Police Dept. arrested Roger L. Franz, 42, former Antioch resident, for the second time with a stolen rental car.

Franz was picked up by the police while driving a car he had leased in Fox Lake by using a phony address and a void charge card.

The Antioch police spotted Franz as he was going into Oakwood Knolls through the back entrance. His former wife and children live in the Knolls.

During a preliminary hearing held in Lake County Court, on Jan. 19, Judge Charles Scott bound Franz over for trial. He is presently being held in the Lake County jail.

Franz faces charges of stealing a rental car from O'Hare Field, Chicago, failing to appear at a preliminary hearing on that charge, theft by deception in Fox Lake on the car he was driving, and numerous charges of deceptive practices, passing bad checks in Antioch, Libertyville and Grayslake.

Franz has previously served time in jail for car theft.

W. S. Kelly Asso. opens in Antioch

W.S. Kelly And Associates Inc., Gurnee, has announced the opening of a full service investment and insurance office in downtown Antioch.

Laddie Koreck, vice-president, stated that the firm looks forward to providing area residents with quality investment and insurance services necessary for good financial planning.

As a fully licensed general securities representative, Koreck believes many area investors will now enjoy the convenience of comprehensive investment services, without having to commute to or call Chicago.

"It has been our experience that our clients appreciate the personal relationship we establish. It is not uncommon for us to meet with clients during evening hours or on weekends when most investment firms are closed," he said.

Investment services include discount brokerage, IRA's, Keoughs, Kemper Mutual Funds, government securities, tax free and tax deferred investments, tax shelters, municipal bonds,

certificates of deposit (CD's), various retirement plans and Kemper Unit Investment Trusts.

In addition to investment services, W.S. Kelly is a full service insurance broker, offering select insurance products from a host of today's largest insurance companies.

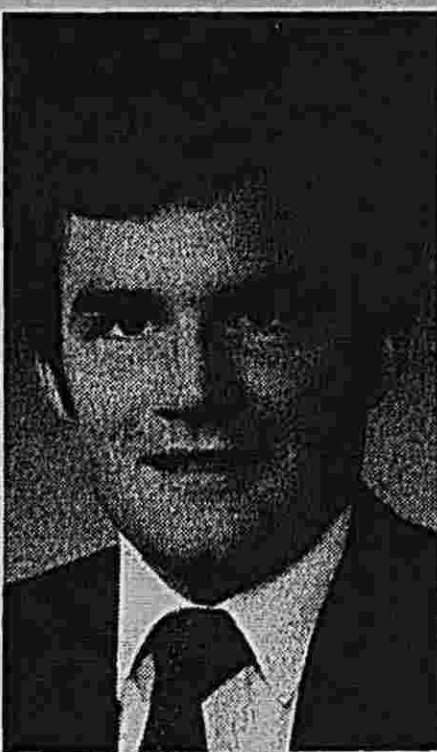

Woodruff Kelly, president, stated, "Because we are an independent broker, we are free to choose the best insurance coverage at the lowest possible cost. Because of the competitive nature of the insurance industry, it only makes sense to deal with an independent."

He added, "Our philosophy in marketing both investment and insurance products, is to provide our clients with two major aspects of financial planning. We plan to further developments and expansion into both legal and tax planning in the near future."

W.S. Kelly will be located at 380 Lake St., next to the Antioch Show and can be contacted at (312) 395-8050.

Grade school district to purchase two buses

The purchase of two buses was approved by the Antioch Community Consolidated School Dist. No. 34.

The board approved purchase of two 1983 GMC 71-passenger buses. One has right and left luggage compartments and will cost \$20,900 and the other does not have the compartments and will cost \$20,450.

The purpose of the compartments is to accommodate band and sports equipment, Supt. Don Skidmore said.

Skidmore also told the board Antioch grade school district's cost per pupil expenditure for 1982-83 compares favorably with other school districts in the county.

He announced the figures to the Antioch Community Consolidated School Dist. No. 34 Board of Education.

The only area in which the figures do not compare favorably is in the special education budget, and that is because the district purchased three new buses and one used bus for special education use.

The Antioch district spent \$2,205 per student last year. This puts Antioch at 27th out of 35 districts. The average elementary cost per student last year for the 35 districts was \$2,909.

Because colleges becoming more and more competitive, Skidmore recommended that the board approve the distribution to junior high students of a letter sent by the Board of Higher Education.

The letter concerns making the right decisions in which courses to take in high school to prepare for college.

College is really changing dramatically, Skidmore said.

"It's really getting competitive. I think they (junior high students) need to be told," he said.

One paragraph in the letter reads in part, "What is the best way to prepare for this changing future? Take subjects which will give you as many future choices as possible. Don't cut yourself short."

Skidmore made predictions as to what enrollment will be next school year. He estimated that 1,521 students, five less than in 1983-84, will be enrolled. This figure includes the approximately 45 students who will attend SEDOL classes outside the district.

To teach the 1,476 projected in-district students, Skidmore requested 82 certified personnel. This figure includes two speech therapists, one at half time, and one psychologist, who will be hired for one-third time.

The elementary staffing will produce a grade 1 through 5 pupil-teacher ratio of 23.3 to 1.

"While people could argue that the staffing ratios are either too high or too low, depending upon one's viewpoint, the fact is that the staffing is consistent with our financial ability," Skidmore told the board.

PM&L does version of 'The Rainmaker'

There is something different about the rehearsals for "The Rainmaker" soon to play on the PM&L stage, 877 Main St., Antioch.

There is a special excitement and desire to achieve the best because Palette, Masque and Lyre, Inc. now owns the PM&L Theatre.

Curtain will be going up on "The Rainmaker" on Feb. 3, at 8:30 p.m. The audience that night is invited to a special celebration with cast and crew following the performance.

Subsequent performances will be Feb. 4, 10, 11, 17, and 18, at 8:30 p.m., and a matinee at 2:30 p.m., on Sunday, Feb. 12. Call (312) 395-3055 for reservations or further information.

Christina Lindberg from Antioch plays the "gem" role of Lizzie who is made beautiful by "The Rainmaker." Lou Jones from Round Lake plays the title role of Starbuck.

Frank Greenwood from Round Lake is H.C. Curry; Dennis Gulloin from Lindenhurst is Noah; Bobby Mullooney from Fox Lake is Jim; Phil Jeager from Zion is File; and Al Kessie from Richmond is the sheriff.

For any theatre goers who are interested in dinner-theatre, the Village Pub has a special dinner-theater package. For reservations call (312) 395-3373.

After delays, 3 years Haley may face trial

The case of the County of West Palm beach versus William Haley, 41, Antioch, on drug trafficking charges, has received another of its numerous continuances and is set for a calendar call on March 16.

Florida Assistant States' Atty. Michael Morgan, who had been assigned to the case until a short while ago when it was turned over to Assistant State's Atty. Jerome Davis, said that the state feels that the last impediment had been removed by the time of the last calendar call on Jan. 13.

In Florida, in a felony prosecution, both attorneys appear before a judge to determine if both are ready to go to trial before a trial date is met.

Haley has had numerous calendar calls since the incident he was arrested for happened in April 1981, when a plane carrying almost one-half of a million dollars worth of marijuana was confiscated by drug authorities at the West Palm Beach Airport.

Both men arrested at the scene implicated Haley, saying he had hired them to fly the plane filled with the uncontrolled substance.

Since Haley's arrest, many prosecutors have had the case, one being made a judge in the interim.

This and the constant request for continuance by the defense for reasons of acquiring witness depositions has kept the case rolling from date to date.

According to Morgan, although three years is a longer time than normal for this kind of case to be in the preliminary stage, in Florida, drug trafficking cases often take longer to finalize than homicide cases because of their complexity.

So, barring unforeseen circumstances such as illness on either side or preemption by a homicide case, Haley is now expected to face trial on the charges sometime in early spring.

The plane confiscated along with the drugs at the time of this incident was returned to its owner William Zeigler, Round Lake, and later reconfiscated at a Fort Meyers, Fla. airport because its pilots were armed and traces of marijuana were found in the plane.

Haley had been employed by Zeigler as a private pilot. Zeigler claimed at that time that the traces that were found were remnants of the earlier incident of which he had no prior knowledge.

ACHS's grade standards raised for athletes

by GLORIA DAVIS

Starting at the beginning of the 1984-85 school year, Antioch Community High School students who want to participate in athletics will only be allowed to fail one course. They must pass four of the courses on their schedule if they wish to continue this participation.

At the last meeting of the Board of Education of Antioch High School, the board approved this change from four to three passing grades per semester.

This was an adoption of the Illinois High School Assn.'s eligibility requirements.

Any mark above an F is considered a passing mark.

Local high school students will now have the availability of all materials in the archives of the Northern Illinois Library System (NILS) since the board approved affiliation with NILS through the Antioch Township Library which has been with the system for a short time.

That means that any reading or reference materials, not in the high school library, will

be sent from the library system to the township library if the system has it and the school will pick it up there.

Reciprocally, anyone subscribing to the system will also be able to use anything in the school library.

Other board approvals stemming from that meeting, on Thursday, Jan. 19, include: the addition of a new course, "Introduction To Word Processing," to be implemented by use of the school's micro computers; the filing of the FY'84 Chapter One project which will provide a voluntary summer remedial reading course for incoming freshman who have had trouble with reading in grade school.

The course will be available as of the summer of 1984.

In other business, the board approved the registration of Fabio Henrique Maran Amaral, from Barzil, the latest Rotary foreign exchange student and the setting of commencement exercises for 2 p.m., on Sunday, June 3, in the high school auditorium.

GET FINAL APPROVAL—Lake County Sheriff Robert H. (Mickey) Babcox, center, and State's Atty. Fred Foreman, second from left, present \$20,000 check to be used as seed money for Lake County Crime Stoppers Inc. Accepting check are, from left, treasurer Don Lewis, Foreman, Babcox, Judge John Goshgarian and Charles Mason, Crime Stoppers chairman.

Police fracas Ted Nielsen to face trial

Ted Nielsen, 44, Lake Villa, had a pre-trial hearing in Lake County Court on Wednesday, Jan. 18, on charges made by the Antioch Police Dept. of three counts of battery, trespassing and resisting arrest.

Nielsen was bound over for trial, the trial date yet to be set.

Nielsen, his daughter Christie, 20, and his brother Fred, 48, allegedly were in the Antioch Police Station in the early morning hours of Nov. 27 concerning a friend's DUI charge. The entire group reportedly had just attended a party celebrating Nielsen's 25th wedding anniversary.

According to the police report, in the fracas that ensued, Antioch Police Sgt. Charles Watkins was sent flying into a wall and over a garbage can and Officer Ron Roth was taken to St. Therese Trauma Satellite for treatment of a sprained hand.

Christie and Fred Nielsen were both charged with disorderly conduct and obstructing a police officer.

Nielsen was mayor of Lake Villa from 1973-77, serving prior to that time as a village trustee. He is owner of Nielsen Enterprises in Lake Villa.

Plan Chamber dance

The Antioch Chamber of Commerce wishes to announce that they will hold their annual Installation of Officers Dinner Dance, on Saturday, Feb. 18 at the Tower Room located above the Antioch Bowl.

Cocktail Hour will start at 6:30 p.m., with hors d'oeuvres followed by a prime rib dinner and a chilled bottle of champagne at each table.

Jack Seigmeier of Four Squires will be the master of ceremonies and Father Hanley, of St. Peter Parish in Antioch, will give the invocation.

Cost of the dinner is \$16.50 per person and the deadline for tickets is Monday, Feb. 13.

Tickets are on sale at the State Bank of Antioch, First National Bank and Great American Federal.

Furlan's planning snowball tournament in Trevor in February

Dug Out Park in Trevor is starting its new year with three weekends of softball in February.

Snowball "1984" are soft-

ball tournaments played with tires for bases, red, white, and blue softballs, and the more snow, the better.

On Feb. 3, 4 and 5 will be the 11th Annual 16 Inch Tournament open to all 16 inch teams.

Then on Feb. 10, 11 and 12

is the 4th Annual 12 inch Tournament.

Next on Feb. 18 and 19 is the Mixed 16 inch Tournament for guys and gals.

Entry fee for each tourney is \$60.

There are trophies, t-shirts and traveling expense for the top teams.

For more information call Tom Furlan at (414) 862-9936 or (312) 395-5788.

The park is located on Hwy. 83, two miles north of the Illinois state line.

The Time Machine

When I think about it It's not what you say, but just how you say it

by GLORIA DAVIS

The knack of using special words in describing some not too special things has always fascinated me.

With the use of rhythmic language fading into the sunset, being replaced with so-called utilitarian words that "get the job done in a shorter crisper manner," we may be hearing the death knell of future picturesque quotations like those that have long been memorable because of the sweet sounds they bring to one's ears.

With all due consideration given to the time frame when some of these well-known phrases went down in history, we all know that history repeats itself.

What if the same people were put in identical circumstances today? Would their remarks on the subject, given in 1984's vernacular, be worthy of future historic note?

Comedian Bob Newhart touches on this idea in one of his comic monologues which has a public relations expert in conference with Abe Lincoln just after the battle of Gettysburg.

In arguing with Lincoln on his proposed change of the introduction of his now-famous address, Newhart berates the President's word refinement that has the speech starting with 87 years ago, our grandfathers—.

Newhart compares the change to that of Marc Anthony starting his famous oration with, "Hey, I've got something to tell you," instead of "Friends, Romans etc."

Would a quote from a modern day Patrick Henry saying, "If I can't do my thing, I'd rather bite the bullet," go down in history like "Give me liberty" did?

And how many love affairs would be enhanced by a poetic note from Elizabeth Barrett Browning that doesn't start with "How do I love thee," but begins, "You turn me on like a three-way bulb."

On the other hand, just as we all have looked with askance at "Greeks bearing gifts," since that night in Troy, we do agree today that "There's no free lunch."

Does Rev. Moon's doctrine urging us to "love everybody," carry the weight of Will Rogers' "I never met a man I didn't like?"

Would Sidney Carton's death in "Tale of Two Cities," been as memorable if he had preceeded it with, "Here goes my best shot," instead of "It's a far far better thing etc?"

What if John Kennedy's inaugural address had included, "Now that I'm elected, don't call me; I'll call you," instead of the famous "Don't ask what your country—?"

In finishing, imagine the loss of beauty if "A rose by any other name," became, "No matter what you call it, it still stinks!"

FIFTY YEARS AGO: Jan. 25, 1934

Civil Works Administration workers, doing village and township street revamping under a federal work program, were cut to a 15 hour work week in the village and a 24 hour work week in the township.

Along the way with ANNIE MAE

Happy upcoming birthday to Dan Dugenske who will be 39 again on Feb. 5.

Congrats to Antioch scholars who are doing well in their efforts to get their sheepskins; Diane Karczewski and Cynthia Splayt making the dean's list at Carthage College, Kenosha, and Dean Calonder doing same at Eastern New Mexico University, Portales, NM.

Old Annie Mae wishes the weather man would stop telling her what the wind chill factor is on these way below zero

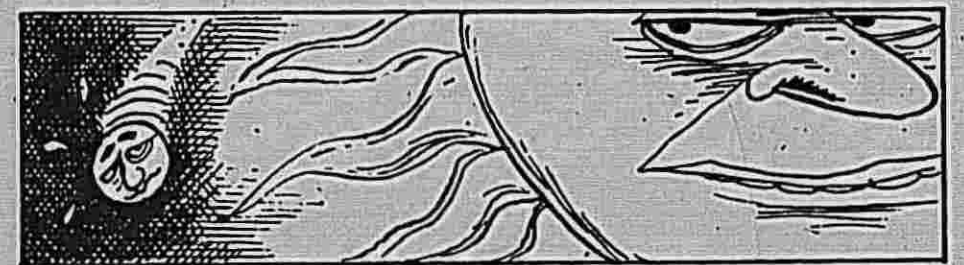

days. I can hack 20 below but 60 degrees of below zero chilliness is ridiculous!

Speaking of cold and ice, time for that annual fun ice event, the Chain O'Lakes Ice Fishing Derby and Winter Festival which is approaching fast.

So get out your ice pick, the old fishing pole and your long underwear and head for Petite Lake if you want some real winter fun on Feb. 11 and 12.

Warren wins but Sequoits take Stevenson, 61-57

The Sequoit varsity cagers bowed to mighty Warren, 55-44, on Warren's home court, Friday, Jan. 23.

Don Korjenek was the

leading scorer for the red-men with 18, followed by Dan Berkiel with 12 and John Humphreys with 8.

Even though Antioch won

its first starting quarter in six or seven games, the fact that Warren seems to be able to get scoring from anybody on the floor contributed to the Sequoit's demise.

"Warren was as tough as I thought they would be, no wonder they're 8-0," said Sequoit Coach Don Zeman.

Antioch bounced back with a vengeance on Saturday, Jan. 21, skimming past Stevenson 57-61, with Humphreys stealing the show in this one, scoring 23 points to make-up for the absent Berkiel.

Korjenek and Dave Hart had 10 each, with Steve Mueller doing the job on the boards for the Sequoits, coping 13 rebounds, Korjenek had 6.

Antioch got off to a sluggish start in the first quarter, a problem that seems to have dogged them most of the season.

It was a one point game at half time but the lead changed five times in the third quarter.

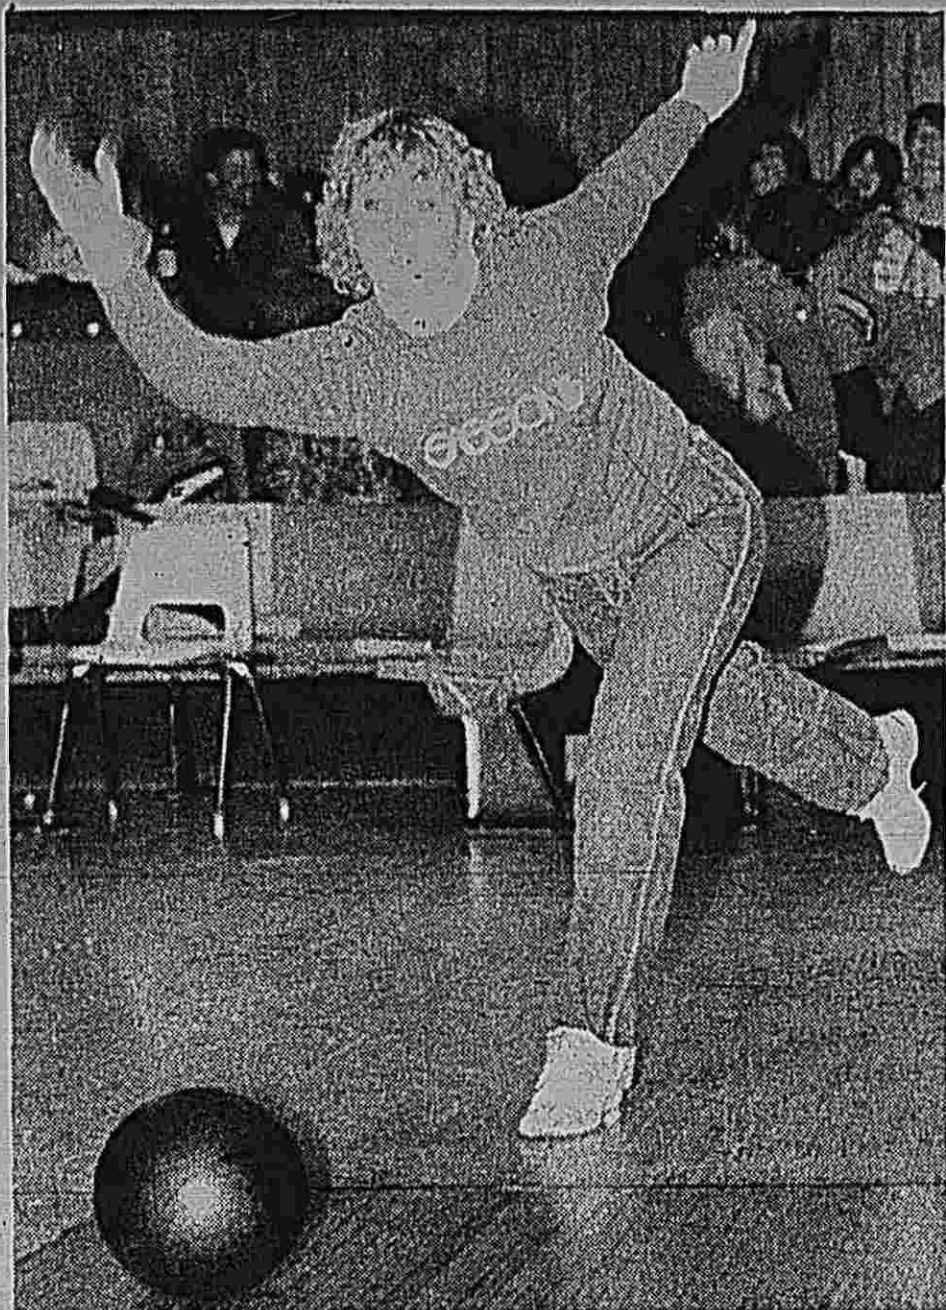

Then Humphreys took over, making it big and giving Antioch the game with five free throws in the game's last minute.

Antioch is 6-9 overall and 3-5 in the North Suburban Conference as they get ready for Niles North on Friday, Jan. 27, and Mundelein on Saturday, Jan. 28.

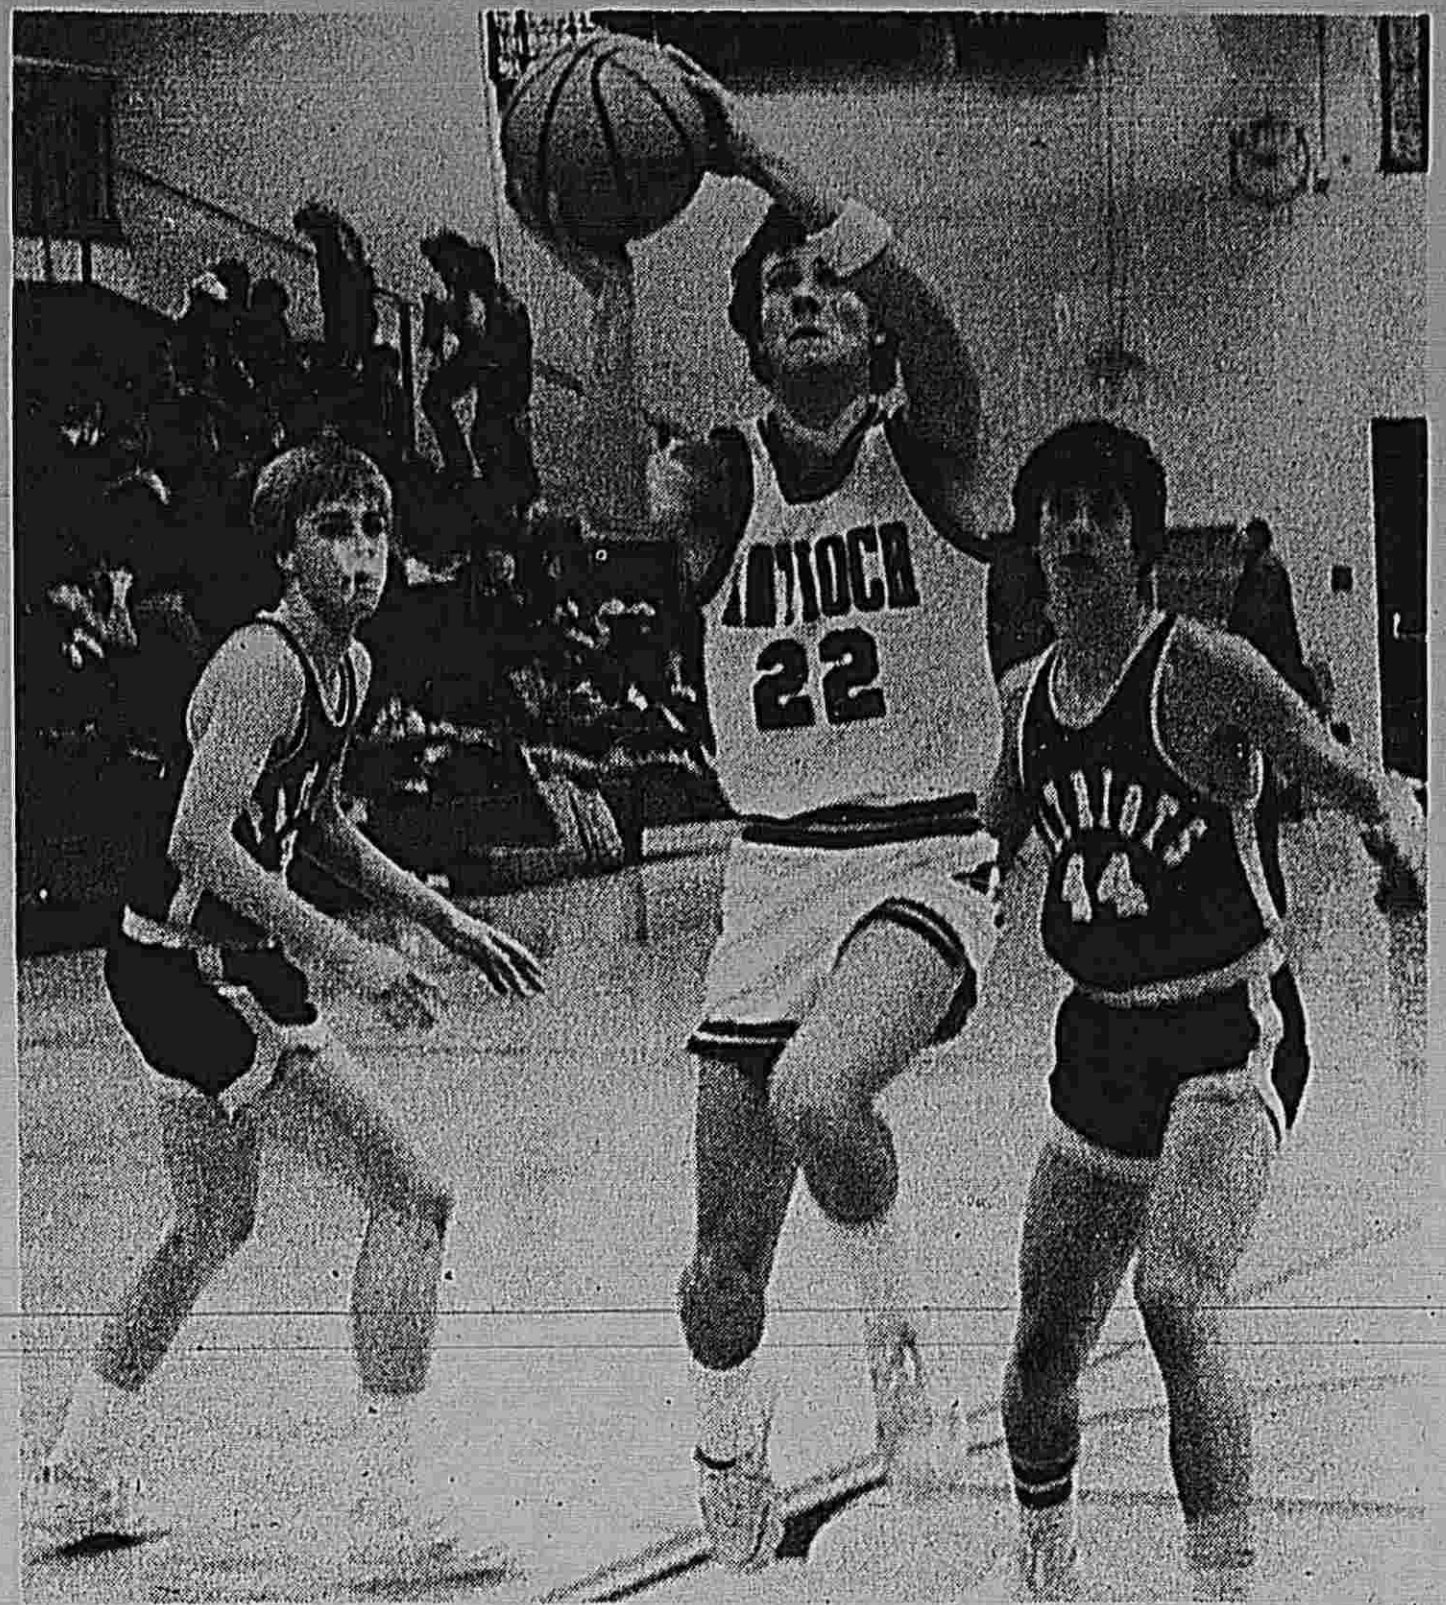

"Niles is unknown to us and probably more dangerous," said Zeman, adding that a win there would put Antioch at 4-5 for the first round.

On Saturday, the rule of the day will be "Stop Churchill, or anyone else who gets a hot hand for Mundelein," said Zeman.

Antioch is also expected to use its new found man-to-man defense which seems to be doing the job.

THE NEED FOR ORTHODONTICS

Q. When is orthodontic work necessary?

A. The two chief physical reasons for orthodontics are the disharmony among individual teeth (overcrowding) and the inability of the upper and lower jaws to meet (occlude) properly.

This takes in three major conditions. In the case of OVERCROWDING, malposed, tilted and rotated teeth interfere with proper biting and chewing. Upper teeth can no longer mesh with lower teeth as they should, and are difficult to clean, thus causing more cavities. BUCKED TEETH, the most common problem, is characterized by a prominent upper jaw, or teeth that jut too far out over lower teeth. With a PROTRUSIVE JAW, the lower jaw extends further forward than the upper jaw so that the lower teeth are in front of the upper. All three of these conditions can make eating and speaking difficult. Regular visits to your dentist can help spot problems which need further investigation.

Weddings

Mr. and Mrs. Thomas Gutowski

Catherine Riska, daughter of Ronald and Carole Riska Sr. of Antioch, was married Sept. 17 to Thomas Gutowski, son of Bernard and Shirley Gutowski of Antioch. The ceremony was performed by the Rev. Eugene Keusal at St. Peter Church, Antioch.

The bride, who wore a gown made by Mrs. Marie Esser of Antioch, was given away by her father in the double ring ceremony.

The bride's sister, Donna Riska, was maid of honor. Bridesmaids were Lind Gutowski, Ellie Kennedy and Donna Gutowski.

Best man was Mark Ring and groomsmen were Daryl Gussarson, Bob Kennedy, Ron Riska and Tim Harvey.

The bride is a 1978 graduate of Antioch High School and 1980 graduate of the College of Lake County. She is employed by Kenneth Holz DDS, Round Lake, as a dental assistant.

The groom is a volunteer fireman with the Antioch Fire Dept. and employed by Outboard Marine Corp., Waukegan, as a technician. He is a 1976 graduate of Antioch High School.

A reception followed the ceremony at the Country House, Antioch. Following a honeymoon to Nassau, Bahamas, the couple are residing in Antioch.

Mr. and Mrs. Richard Swieca

Lori Pinkston of Antioch, daughter of Mr. and Mrs. Jerry Pinkston of Antioch, was married Dec. 29 in Waukegan to Richard Swieca of Lindenhurst, son of Marianne Swieca, also of Lindenhurst.

Both the bride and groom are graduates of Antioch Community High School. The bride was employed by Chain Of Lakes Dental Lab and the groom is serving in the U.S. Army. The couple is now making their home in Georgia.

Engagement

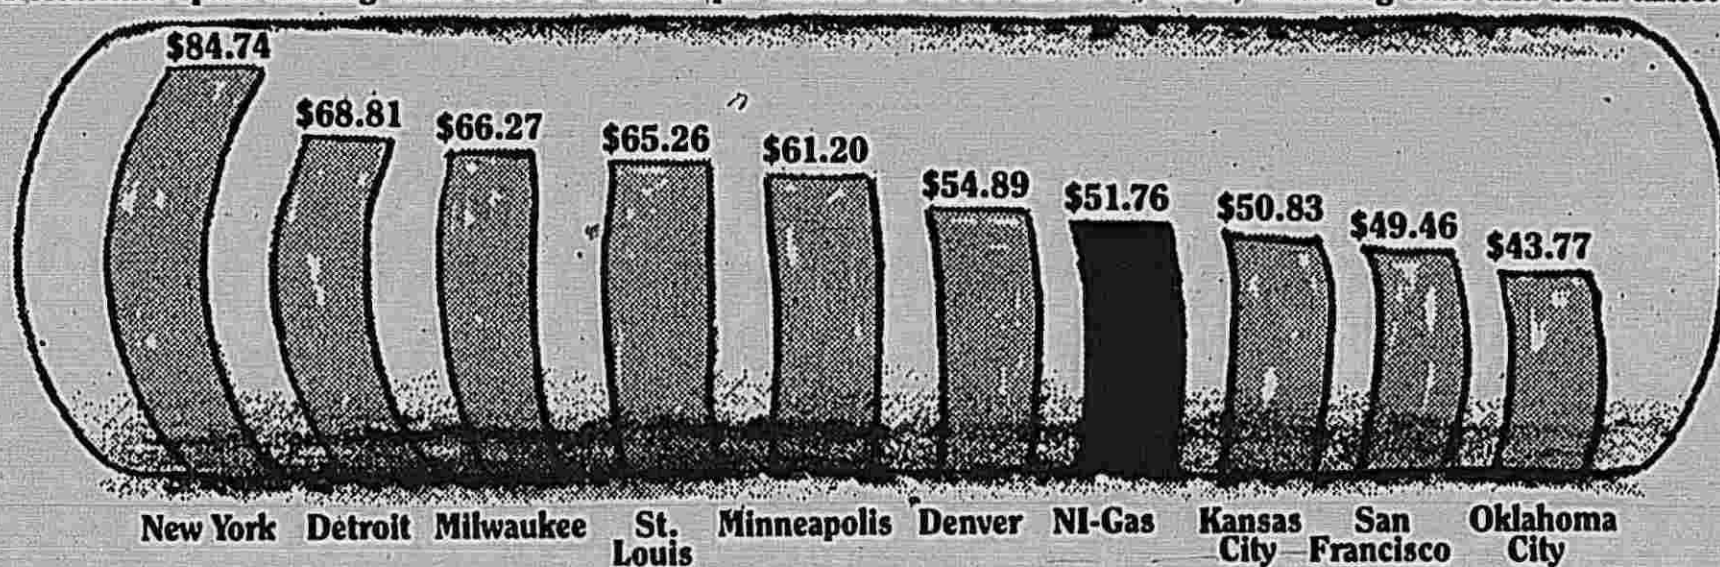

Nau — Graf

A June 16, 1984, date chosen for the wedding by recently engaged Kristie La Von Nau, the daughter of Mr. and Mrs. Vern Nau, 22510 45th St., Bristol, and Michael Thomas Graf, the son of Mr. and Mrs. Darrell Graf, 14615 1st St., Sturtevant.

The prospective bride and groom graduated from Central High School, Wadock Lake, and attended Gateway Technical Institute. She is employed by A&W Restaurant, Union Grove. He is employed by Turnock Inc., Sturtevant.

Here's something virtually 0% of you know that should make all of you feel 200% better.

Residential space heating costs for 100 therms per month as of November 1, 1983, including state and local taxes.

Before we conducted our recent survey, we guessed that not many of

our customers would know about the bright spots in the Northern Illinois Gas story.

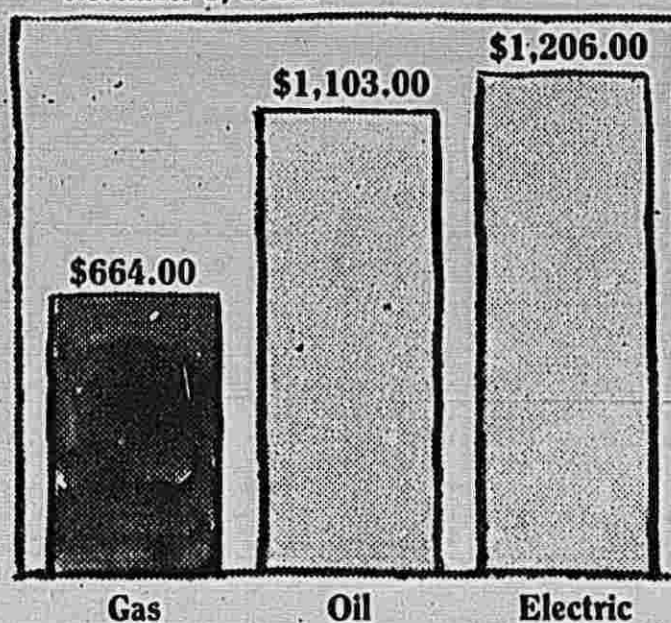

Our guess proved correct, and then some.

Because it turns out that virtually none of the people we surveyed realize how relatively inexpensive their natural gas is compared with the cost of gas elsewhere in the U.S.

The fact is, the natural gas we provide our customers is *among the lowest priced natural gas in the entire U.S.*

The graph on the pipe, showing a representative sample of U.S. gas costs, leaves no doubt of that.

Estimated annual fuel costs for heating a moderate size home (1,500 sq. ft.) in the NI-Gas area adjacent to Chicago as of November 1, 1983.

And if you care to compare the cost of different forms of energy, you'll

find that natural gas remains by far the least expensive form of energy available today for home heating, cooking, and many other uses.

That's a record that we at Northern Illinois Gas take some pride in.

And it's something our customers can take comfort in as well.

The next question, of course, is whether anything else can be done, in addition to our efforts, to help minimize your gas bills.

The answer is Yes. It involves some effort on your part. And that's a subject we'll turn to, in the next ad in this series.

Pack 191 honors Scouts with badges

Cub Pack 191 had an active December and is planning on participating in the annual Snow-A-Ree Jan. 22 at Lakewood Forest Preserve.

The December Pack meeting was held at Cedar Village where Scouts joined the seniors in singing Christmas carols, holding a bake sale and giving away door prizes and serving refreshments.

Den 5 conducted the opening ceremony and the Denners' reports were given.

Santa also paid a visit and handed out awards to the following boys:

Webelos activity badges to Jon Parkman, engineer; Glenn Timmerman,

engineer, outdoorsman, sportsman; Kris Clark, citizen, engineer, sportsman; Joel Hansen, citizen, engineer, geologist, naturalist, showman; Andy Larkin, craftsman; Kenny Wisniewski, engineer.

Other awards given were: Chris Grubb, gold arrow; Greg Luloffs, bear badge, gold and silver arrows; Tommy Reno, gold arrow.

A Bobcat induction ceremony was held for Dutch Friedt, Larry Janke and Erick Pompeio.

PUBLIC NOTICE

NOTICE OF FILING

To the Patrons of the Illinois Bell Telephone Company:
The Illinois Bell Telephone Company hereby gives notice to the public that it filed with the Illinois Commerce Commission, under Advice No. 4383, pursuant to the Illinois Commerce Commission's order in Docket No. 83-0005, modification to rate structures and rate levels resulting in a general increase in the rates and charges for intrastate service affecting virtually all customers effective January 1, 1984. The modification to the rate structures and changes in rates and charges involve the following services furnished under the Company's Telecommunications Services Tariff, Ill. C.C. No. 5: PART 1 — GENERAL; PART 2 — EXCHANGE TELECOMMUNICATIONS SERVICE; PART 3 — STATION SERVICE; PART 4 — LONG DISTANCE TELECOMMUNICATIONS SERVICE; PART 5 — WIDE AREA TELECOMMUNICATIONS SERVICE; and PART 6 — TELECOMMUNICATIONS CHANNEL SERVICE. Also pursuant to Docket No. 83-0005, the Company has removed from said tariff all customer premises equipment that was transferred to AT&T on January 1, 1984.

A copy of the tariff may be inspected by any interested party at any business office of this Company in Illinois. All parties interested in this matter may obtain information with respect thereto either directly from this Company or by addressing the Chief Clerk of the Illinois Commerce Commission, Springfield, Illinois 62706.

Altrusa to offer scholarships

The Altrusa Club of Waukegan is proud to announce the establishment of a \$500 scholarship to an outstanding Lake County High School female student who will be entering college in the fall semester, 1984.

Students interested in applying in the scholarship may obtain application forms from their high school counselors. Applications should be completed and returned to counselors or high school principals for letters of recommendation and transcripts by March 16, Ap-

plications must be signed and postmarked no later than March 30.

Altrusa is an international professional and business executive women's service club, who channel their talents and abilities to provide service to their community. One of their main objectives is to help young and mature women establish themselves in suitable occupations.

The scholarship committee will study the applications and announce the winner May 1, 1984.

Aglow To Meet

Antioch Women's Aglow will meet on Tuesday, Feb. 7, at 7:30 p.m. at the Antioch State Bank, 440 Lake Street, Antioch. Marilyn Wood will be our speaker. She will tell how intercessory prayer changed her life. There is no admittance fee. Refreshments are served. A free will offering is taken.

An old belief is that if your right ear rings, someone is saying good things about you. If your left ear rings, you are not being flattered.

County Board

(Continued from Page 1)

the pair had proven experience in dealing with township problems and county problems and would make good decisions based on their experience.

Fourth district Republicans had anticipated a unanimous endorsement for the pair, but apparently underestimated Tobolik's strength in Avon Township.

"I'm honored that I am endorsed by the three townships. It's to the credit of the chairmen of all three townships that they worked to find the best candidates and checked the track records. I think I've done a good job for district four and that's the reason they endorsed me," said Fields.

"As for the Round Lake situation (Avon Township), I hold no grudges. I have a lot of support in Avon Township—in Grayslake and among people in the Round Lake villages," Fields added.

Popp noted the fact that Avon Township could not reach an endorsement shows that "all candidates have some strength in Avon Township."

Lake County GOP Chairman Bob Neal of Wadsworth, who was present for the endorsement announcement at the Country House in Antioch, said that Fields and Popp could still win the endorsement in Avon Township.

The endorsement meeting was held last week in order to provide an opportunity for candidates to withdraw before the Jan. 19 deadline for withdrawing from the primary.

"The Avon people will meet again in February and conceivably could vote then to endorse if the candidates are able to meet with some of the committeemen between now and then and win their support," said Neal.
